OUR STORY

Inspired by the unparalleled beauty found across Syria, from classical architectural design, to the warming smiles of the nations people and felt through the vibes and comforts the old town and markets radiate; Zufa is the accumulation of love, beauty and art, founded in 2015 by Sarah, Zufa began its journey by supporting highly skilled local Syrian craftsmen and women, while matching this with a special creative design flair that captures the hearts of many, bringing you just a little bit of beauty from Syria.

Walnut Wood

A beautiful fine, straight grain wood that is resilient and robust while not heavy. With a beautiful colour and smooth finish – one of our favourites!

Birch

A light, durable hardwood that is fantastic for creating unique pieces of furniture that are built to last.

Plexi / Gold-Silver Copper / MDF / Brass

Our alternative materials which compliment our showcase woods and metals, providing practicability and function throughout our home.

OUR MATERIALS

Zufa uses only the best materials to create high-quality bespoke pieces. As they are hand-crafted you will never find one that is exactly the same! Sourcing high quality woods and copper from across the region, our craftsmen develop these hard raw materials in to beautiful pieces of art.

“Zufa offers a range of boxes tables and trays that will bring beauty and function to your home. Hard woods with a soft finish and quality that will last a lifetime”
